

Admissions Policy

Statement of Intent

It is our intention to make Acton Playgroup accessible to children and families from all sections of the local community. We operate from one room, taking a maximum of 24 children at any one time.

Aim

We aim to ensure that all sections of our community have access to the setting through open, fair and clearly communicated procedures.

Methods

In order to achieve this aim, we operate the following admissions policy.

- We ensure that the existence of Acton Playgroup is widely advertised in places accessible to all sections of the community.
- We ensure that information about Acton Playgroup is accessible, in written and spoken form and, will seek advice if needed in more than one language. We will also seek advice if needed to provide information in Braille or through signing or an interpreter. Web site provides instant information.
- A limited number of 30 hour funded places will be offered. Staff will offer support to parents who wish to stretch their entitlement between multiple settings. Staff will endeavour to contact other providers to establish availability of hours and/or wrap around care.
- Priority will be given to 2 to 4 year old children who are in receipt of Early Years Funding:
 - 3 and 4 year olds - 15 hours
 - 2 year olds in receipt of free at two, 15 hours funding.
 - These hours can be used in lunch club, 3 hour session or whole days. We aim to be flexible and can offer a variety of timings to suit parents. We work in accordance with the Directory of providers, Suffolk county Council.
- We arrange our waiting list in birth order. In addition our policy may take into account the following:
 - the vicinity of the home to the setting; and
 - Siblings already attending the setting.
- We keep a 15 hours vacant, if this is financially viable, to accommodate an emergency admission.

- Acton Playgroup and its practices in terms that make it clear that it welcomes fathers and mothers, other relations and other carers, including childminders.
- Acton Playgroup and its practices in terms of how it treats each child and their family, having regard to their needs arising from their gender, special educational needs, disabilities, social background, religion, ethnicity or from English being a newly acquired additional language.
- Acton Playgroup and its practices in terms of how it enables children and/or parents with disabilities to take part in the life of the setting.
- We monitor the gender and ethnic background of children joining the group to ensure that our intake is representative of social diversity.
- We make our equal opportunities policy widely known.
- We consult families about the opening times of the setting to ensure we accommodate a broad range of family need, being flexible to meet all families needs.
- We are flexible about attendance patterns to accommodate the needs of individual children and families.
- An email/letter is sent to new starters the term before they join to confirm start dates.
- We keep a place vacant, if this is financially viable, to accommodate an emergency admission.
